

**INTEGRATED CHILDCARE PROGRAMME:
SERVICE CUM FEE MATRIX**

This Integrated Child Care Programme (ICCP) is for special needs children aged **2 to 6 years old** who have been diagnosed as having **Mild to Moderate** disability.

Such a child has to be recommended for placement in the ICCP by a paediatrician, usually from the hospitals.

More information on how to apply for ICCP and the application form can be found on CEL's website.

Each of the 17 ICCP centres, which sets aside only a few places for such children, will assess the child's suitability for integration in this mainstream child care setting before advising on availability of a place.
